## WORK EXPERIENCE

### Website designer | Freelance

Jun 2021 - Present - 4 years

Create branding, design websites and build bespoke and responsive WordPress websites for service-based businesses. CRO specialist, and email designer for e-commerce sites.

### UX lead engineer | Accenture

Oct 2019 - May 2025 - 5 years 7 months

Led and managed the UX design team while shaping its strategy and fostering a strong team culture. Drove the end-to-end design process—from research to prototyping—while collaborating closely with business stakeholders and developers, and producing accessible designs across web, touch, and mobile platforms.

### Software tester | Accenture

Oct 2015 - Oct 2019 - 4 years

Prepares, executes and leads the necessary software testing and bug management across the stages of product development to ensure quality through go-live

### Presentations & graphic designer | Freelance

Oct 2013 - Oct 2015 - 2 years

Design presentations, graphics, and marketing materials
